SPEC MIX® is a national source for high quality, factory produced cementitious products for the construction industry. With more than 54 licensed manufacturers located in major markets across the U.S., and Canada, the SPEC MIX team utilizes computerized batching equipment and the finest materials to ensure total quality control throughout any masonry project. We also offer various patented silo systems to maximize a contractor's proficiency and safety rating. Our purpose is to keep a masonry crew going, moving and working.

Published 10 times a year, MASONRY CONSTRUCTION magazine is the premier source of information for masons. Masonry Construction's Challenge takes place at World of Concrete each year and is a series of competitions designed to demonstrate the skills of masons. The SPEC MIX BRICKLAYER 500 National Competition and the SPEC MIX TOUGHEST TENDER are two of the premier events within the Masonry Construction's Challenge program.

World of Concrete and Masonry Construction are owned by Hanley Wood LLC, the premier media and information company serving housing and construction. Through four operating divisions, the company produces award-winning magazines and Web sites, marquee trade shows and events, rich data and custom marketing solutions. The company also is North America's leading publisher of home plans. Founded in 1976, Hanley Wood is a \$250 million company owned by affiliates of JPMorgan Partners, LLC. CCMP Capital Advisors manages the Hanley Wood investment for JPMorgan Partners.
